# Character Strong: May Focus

*Creativity*

is using your imagination  
to create something new  
or solve a problem

POPPY FULL  
People

We have some very creative students here at Silvercrest. The halls are lined with beautiful artwork and students are creatively solving problems in their classrooms. This is a great month to discuss what it means to "think outside the box" and discuss how creativity doesn't just apply to art, but it is needed in every day life.

## Creativity Conversation Starters

- Is being Creative and using your imagination something you enjoy doing? Why or why not?
- When you think of Creativity, what emotion comes to your mind?
