National School Lunch Week October 11th-14th

Recognizing the importance of a healthy school lunch in a child's life, and the impact it has inside and outside of the classroom.

Dear Silvercrest families,

The Silvercrest PTA – Health, Safety & Parent Education Committee will be providing each student with a healthy fruit or vegetable during their lunch time, throughout the week of October 11th - 14th. We will be spreading the message of appreciation for national school lunches, and we will be focusing on the importance of healthy fruits and vegetables.

The fruits and vegetables are provided free of charge to the students and are to encourage healthy eating habits.

The following is the schedule for the week: *subject to change based on availability.*

- Tuesday, October 11th- bananas
- Wednesday, October 12th- baby carrots
- Thursday, October 13th- sliced apples
- Friday, October 14th- grapes

We look forward to a week of fun, learning about the importance of fruits and veggies! Check out these awesome smoothie, snack and easy dinner recipes: <https://www.weelicious.com/search> Take a look at these healthy tips for kids: www.pcm.org/good-nutrition/nutrition-for-kids

BECOME A STEP TUTOR!

STEP (Student Tutorial Enrichment Program) Volunteers Needed! STEP is a PTA program that pairs up adult volunteers with first graders who need extra support learning to read. This is a wonderful way to become involved at Silvercrest and the time commitment is just 30 minutes each week! Tutors meet weekly with their student during school hours and will need to complete a PISD criminal background check. No experience required—training provided!
